Washington DC
202-642-6309
tori@lahconsultations.com

Licensed as an Occupational Therapist in Virginia, Maryland, Washington DC, Delaware, New York, New Jersey, Pennsylvania, and Massachusetts.

OCCUPATIONAL THERAPY:

Owner and President

Dec 2007 to present

Living at Home Consultations, Washington DC

Services available in-person and remote

Occupational Therapy Services

- Assess clients' functional skills and their environments
- Create client-centered plans with recommendations for appropriate services, home modifications, assistive technology and interventions to facilitate remaining in the home
- Coordinate with a team to provide holistic services and support
- Partner with contractors and equipment vendors to ensure modifications meet client needs
- Collaborate with public and third party payers to provide Environmental Assessments, including Medicare, Medicaid Waiver programs and Workers Compensation providers
- Consult with private organizations and public agencies interested in developing community-based aging-in-place programs

Expert Witness and Life Care Planning

- Expert witness for litigation cases involving occupational therapy
- Life Care Planning with specific focus on home modifications, assistive technology and durable medical equipment

Program/Clinical Manager

Jul 2015 to Dec 2023

Safe at Home Program, Washington DC

- Created, implemented and managed program operations, including field staff, and a \$4.5 million annual budget for compliance with the grantor's requirements
- Completed in-home functional assessments, determined appropriate modifications, wrote scope of work, and coordinated with contractors for project completion
- Worked with an interdisciplinary team to implement holistic services in the home
- Provided written narrative reports and descriptive presentations regarding the achieved outcomes to share with the grantor and high-level administrators
- Analyzed program data to ensure program efficacy and fidelity
- Presented locally and nationally for program replication
